Deputy Headteacher: MRS LAURA CONSTANZA (B. ED)

Dear Parents/Carers

Welcome back to the summer term. We hope that you had an enjoyable Easter break, given the current circumstances.

Thank you for all your hard work so far with accessing Teams and doing any other home learning. We realise that this has been a steep learning curve for some, including for us and it can be a challenge with the other tasks that you need to complete at home. We do not wish to put you under any extra stress or pressure in these difficult times. Please remember that there are many learning opportunities away from the tasks that we set, for example; helping with cooking, spending time together playing and having quiet times to develop independence and taking time to absorb what is happening around them, like noticing changes to the plants growing in the garden and the creatures that are coming to visit. We have loved seeing your photos and keeping in contact with you. Please keep uploading them onto Teams. Remember, if you want everyone in Year 1 to see them you can upload them to the Year One Channel.

Our school will not be printing any work to be collected or sent home, to ensure that we adhere to social distancing rules. We understand that some of you may not have access to a printer, so we will aim to set work that can be edited in Word and sent back through Teams as much as possible in order for our feedback to be timely and relevant to the children. As mentioned on Teams, we are happy for children to work in their purple book.

We will be contacting parents/carers of children who appear to be finding it challenging to access Teams, but if you have any questions, please do not hesitate to contact us via Teams Chat during school hours.

Thank you for your cooperation and support, take care.

Yours faithfully,

Miss Corrado and Miss Larman
