Dear Parents, Carers and children in Class 7 and 8,

We hope you and your families were able to have an enjoyable Easter break, given the current unprecedented circumstances. As we start the Summer Term, we would like to update you on what is happening in Year 3.

To ensure ongoing Home Learning, we will continue to assign children in both classes appropriate tasks in Year 3 Teams online. We have decided that both classes can expect the following:

- A daily Maths task based on previous learning.
- A daily English task – this may be either a Reading and Comprehension task or a SPaG task (Spelling, Punctuation and Grammar).

We may provide you with an online link to a video lesson from a website to support your Home Learning. We do not anticipate that the English and Maths activities should take any longer than approximately 30 to 40 minutes each per day, however we do expect the children to continue with their daily independent reading and would like to remind you of the following that we have access to a variety of online tools:

Accelerated Reader: <https://ukhosted68.renlearn.co.uk/7259655>

Epic Reading: <https://www.getepic.com/sign-in>

Classroom Secrets: <https://kids.classroomsecrets.co.uk>

If for any reason, you are unable to access any of these websites which the children have login details for please let the school office know.

Also, if you have any other questions, please do not hesitate to contact either of us via Year 3 Teams Chat during school hours.

Thank you for your cooperation and continued support. Keep safe and well.

Yours faithfully,

Mrs Pond and Miss Curtis.
