Dear families,

Firstly, can I thank you for completing your paperwork and returning it to the school office, if this is yet to happen please would you complete and return it at your earliest convenience.

In this unprecedented time of change we are working hard to inform you of all that is happening through our New Starters tab on the main school website. If you have not had the chance to look, please do so as it has lots of information already regarding starting school and school readiness. You will soon receive an email to activate a Tapestry account where you will begin to find virtual story times and tours of the classroom. This will be the main platform for sharing children's learning next year.

I would like to thank you for your patience in waiting for information about your child's school place. You will find attached information on the school day and a letter from myself, as your child's new class teacher. We are very much looking forward to welcoming you into the Wembdon St George's school Community.

I will be in touch personally to introduce myself during the week commencing the 13<sup>th</sup> of July via telephone. There is a booking system in place so you can choose your preferred date and time that week. Please call the school office on 01278 451726 to book a time.

If you do have any questions about this, or any other aspect of your child's learning and development, please do not hesitate to contact me directly.

With warmest wishes,

Miss Lucy Marker
