

## Remote learning for Phonics

The children in EYFS, Year One and Year Two all use Phonics play at school. This site is full of exciting games to help the children recognise phonemes (the smallest unit of sound) and graphemes (the sound written down).

Whilst your children are at home please encourage them to take part in activities from the site everyday. Twenty minutes every day will help them to consolidate their learning at school and support their reading at home.

<p><b>Log in details:</b></p> <p><a href="https://www.phonicsplay.co.uk/">https://www.phonicsplay.co.uk/</a></p> <p>Username: Wembdon</p> <p>Password: phonics</p>	
--	--

Once you have logged in click on the resources tab and select the correct phase for your child, here you will find games that support your children in recognising sounds, blending and segmenting words.

Home	Resources	Teachers	Parents	FAQs	
Phase 1	Phase 2	Phase 3	Phase 4	Phase 5	Phase 6
EYFS Phase Two		Year One Phase Three		Year Two Phase Five	

All of the games are interactive, they are accessible on Android and Apple devices. There is a help tab for parents and many printable resources aswell. Please choose a combination of games for your child to use.

### Grapheme recognition

Seeing and saying sounds

### Segmenting

Breaking down the sounds in a word to support spelling.

### Blending

Blending the sounds in a written word to support reading
