

Wembdon St George's Church School

Our Learning in EYFS

Wembdon St George's Curriculum Intent:

As a school, we have set our curriculum intent with our children at the centre. Our school curriculum intent is underpinned by the Bath and Wells Multi Academy Trust curriculum intent.

- It is tailored to meet the needs of Wembdon St George's church school, its context within a town setting and its pupils.
- Provides a broad range of creative learning experiences to develop children's moral, spiritual, social, mental, physical and cultural understanding through our values and the development of a contextually relevant curriculum.
- Is ambitious for all pupils and provides additional opportunities to inspire ambition within our pupils.
- Recognises, celebrates and welcomes each pupil as a unique individual.
- Secures pupils' core skills, knowledge and understanding to at least an age appropriate level and beyond, and is adapted, designed and developed for pupils with additional learning needs or disabilities.
- Provides enrichment opportunities to broaden and enhance the curriculum experience for pupils.
- Is flexible and responds to pupils' feedback, the evaluations of how well pupils learn and make progress, and in pupils' performance in external and internal assessments.
