OUR VISION

Shining together to be the best we can be for God and for each other.

This will be achieved by:

1. Creating a school community that is underpinned by our Christian Values and a Christian ethos. Where all children are supported to feel safe, flourish as individuals and learn to understand and value each other.

2. Creating a teaching and learning culture with high expectations of all children and adults. Where the focus is on knowing our children and implementing effective teaching strategies to engage them in their learning and prepare them for the next stage of their educational journey; and where children and adults are supported to be active participants in their progress and professional development.
